Making the Quilt

Pay attention to the unit orientations when assembling the various components.

1. Block Assembly

Sew together (31) assorted tumblers, paying attention to their orientation, to make Row One (Diagram 1). Repeat to make Row Two through Row Twenty-Five.

2. Sew together the (25) Rows, lengthwise and in numerical order from top to bottom, to make Block One (Diagram 1).

3. Trim Block One to measure 66 ½" x 75 ½" to make the Center Block (Diagram 2 on Page 5).

Diagram 1

Diagram 2

Quilt Top Assembly

(Refer to the *Quilt Layout* when assembling the quilt top.)

4. Center (1) Fabric B, L or S (depending on the version) 7 3/4" x 94" strip on (1) side of the Center Block and pin in place. Start sewing the strip a 1/4" from the top edge of the block and stop a 1/4" from the bottom edge.
DO NOT TRIM THE EXCESS. Repeat with the opposite side.
5. Repeat Step 4 to sew (1) 7 3/4" x 85" strip to the top and to the bottom of the Center Block, making sure to stop and start 1/4" away from each end of the block. To miter each corner, fold the Center Block on a diagonal, wrong side together. This should line up the strips from adjacent sides (Fig. 3).
6. Starting at the sewn seam (represented by the arrow in Figure 3), draw a 45-degree line to the edge of the fabric. Sew on the drawn line. Trim the excess fabric leaving a 1/4" seam. Repeat this step with the remaining corners.

Diagram 3

Finishing the Quilt

7. Layer and quilt as desired.
8. Sew the (9) Fabric J, P or W (depending on the version) binding strips together, end to end with a 45-degree seams, to make the binding. Fold this long strip in half lengthwise with wrong sides together and press.
9. Bind as desired.
